Portfolio (HTML & CSS): <https://laureano139.github.io/>

PROFILE

Student in the field of Information Technologies with a strong foundation in Python, HTML, CSS, KNIME, SQL, MongoDB, Docker, Git, GitHub and Computer Networks.

I consider myself able to learn new subjects quickly and I am comfortable using any type of platform and tool, such as Microsoft Office tools, Microsoft Teams, video editors and Artificial Intelligence tools.

EDUCATION

University of Minho — Bachelor's Degree
Oct 2020 — Jun 2023

University of Minho — Master's Degree
Sep 2023 — Present

Note: In the first year of the Master's, I chose the Networks area, having two (2) profiles, Next Generation Networks and Internet Engineering, each with three (3) course units. This

gave me a strong knowledge base in this area and, consequently, a solid theoretical foundation in cloud systems and cybersecurity.

HARD SKILLS

Python | KNIME | SQL | Node.js | MongoDB | Docker | Microsoft Office | Git & GitHub |

HTML & CSS | Pandas | Bases e conhecimento em redes e redes de computadores

SOFT SKILLS

Effective communicator, good observer, creative, organized and good time management, patient, willingness to learn, quick learner

LANGUAGES

Portuguese: Native | English: Advanced

HOBBIES

Football | Gym | Outdoor walks/Hiking | Fishing

EXTRACURRICULAR COURSES

Trainer Training Course — Cefigest
Nov 2024 — Jan 2025

E-Trainer Course — Cefolgest
